**KOSHER CERTIFICATE - ISRAEL**

For obtaining information to get a Kosher certificate, contact 323-782-1433 or website; <http://www.easy-access.com/kcs>

Israeli law determines that the sole authority for certifying food as kosher is the Council of the Chief Rabbinate of Israel. Hence, products considered kosher in the United States still must obtain certification from Israel's Chief Rabbinate to be considered kosher in Israel.
