| <p style="text-align: center;">Mozambique, Competitiveness & Private Sector Development</p> | <p>\$25 million</p> | <p>http://web.worldbank.org/external/projects/main?pagePK=64283627&piPK=73230&theSitePK=40941&menuPK=228424&Projectid=P106355</p> | <p>There are three components to the project. The first component is the improving enterprise competitiveness. This component will enhance the competitiveness of Small and Medium Enterprises (SMEs) and promote broad based growth through the following three sub-components: the first subcomponent is the promoting access to business development services. The second subcomponent is the promoting tourism sector in Inhambane. Finally, the third subcomponent is the establishing a tropical fruits training center in Nampula. The second component is the improving the business enabling environment. This component will support Government of Mozambique (GoM's) effort to improve the business enabling environment. In particular, the component will advance specific reforms based on the business environment strategy, build the capacity of key agencies that can play a catalytic role in improving service provision for exports and strengthen the accounting profession. Finally, the third component is the project management, monitoring, and evaluation. The main technical counterpart for the project is the Ministry of Industry and Commerce (MIC). MIC is the focal point for business policy reforms, has been very active in pursuing the Private Sector Development (PSD) agenda, and has requested the new operation. A project implementation unit (PIU) will be</p> | <p>Active: 02/12/2009- 11/30/2014</p> | <p>Mazen Bouri Private Sector Development Spec.
